

# Where to find Fairtrade in Oxford

This list was created in June 2011 by the Oxford Fairtrade Coalition working with local community members to map Fairtrade provision in Oxford. It formed the basis for our successful bid for renewal of Oxford's status as a Fairtrade City. It may not be exhaustive, but we hope that it gives you a good idea of where to shop for Fairtrade products. The list is in postcode order. Copy and paste the postcode into Google maps for directions. Please do let us know if you discover any other Fairtrade outlets (of if you find that any of the listed outlets are no longer providing Fairtrade goods). Contact [yourfairtradingcity@gmail.com](mailto:yourfairtradingcity@gmail.com).
